SAFETY DATA SHEET

1. Identification

Product Identifier	PetroBlen C
Recommended use	Not available
Recommended restrictions	Not available
Manufacturer/Importer/Supplier/Distributor information	
Manufacturer	
Company name	BOYSENBLUE/CELTEC
Address	PO BOX 53648 LAFAYETTE, LA 70505
Phone	800-624-2146
Website	WWW.BOYSENBLUE.COM
Email	INFO@BOYSENBLUE.COM
Emergency phone number	800-624-2146

2. Hazard(s) Identification

Physical hazards	Not classified
Health hazards	Not classified
Environmental hazards	Not classified
OSHA defined hazards	Not classified
Label elements	
Hazard symbol	None
Signal word	None
Hazard statement	The mixture does not meet the criteria for classification.
Precautionary statement	
Prevention	Observe good industrial hygiene practices.
Response	Wash hands after handling.
Storage	Store away from incompatible materials.
Disposal	Dispose of waste and residues in accordance with local authority requirements.
Hazard(s) not otherwise classified (HNOC)	None known
Supplemental information	None

3. Composition/Information of Ingredients

Mixtures

Respirable	OSHA PEL: 5mg/m ³
	ASCIH: 5mg/m ³
Total	OSHA PEL: 15mg/m ³
	ACHIH: 10mg/m ³

Material name: PetroBlen C
Date prepared: June 14, 2016
Date revised: June 14, 2016
Version number: 01

4. First Aid Measures

Inhalation

Remove to fresh air. Administer oxygen if breathing is difficult.

Skin contact

Consult physician if difficulty persists

Eye contact

Wash thoroughly with soap and water

Irrigate eyes with water for at least 15 minutes. If condition persists, contact physician.

Ingestion

Drink large amounts of water. Do not induce vomiting.

Sub chronic and Chronic Effect of Overexposure

Other Health Hazards

5. Fire Fighting Measures

Flash Point

Not applicable

Flammable Limits

Not applicable

Extinguishing Media

Water, foam, dry chemical, or carbon dioxide

Special Fire Fighting Procedures

Evacuate all unnecessary personnel. Wear appropriate safety equipment for fire conditions including SCBA.

Unusual Fire and Explosion Hazards

None known

6. Accidental Release Measures

General information

Use proper personal protective equipment.

Spills/Leaks

Pick up with shovel or vacuum. Place in suitable container for disposal

7. Handling and Storage

Handling

Avoid prolonged contact with skin. Do not get in eyes. Avoid breathing dust. Wash before eating, smoking or using toilet facilities. Launder contaminated clothing before re-use.

Storage

Store in cool, dry, ventilated area. Keep away from oxidizing agents. Store away from incompatible materials (see Section 10 of the SDS).

8. Exposure Controls/Personal Protection

Recommended Exposure Limits

Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and immediately after handling the product. Avoid contact with skin, eyes and clothing. Ensure that eyewash stations and safety showers are close to the workstation location. Ensure adequate ventilation. Use local exhaust under dusty conditions

Individual protection measures, such as personal protective equipment

Eye/face protection

Safety goggles

Skin protection

Material name: PetroBlen C

Date prepared: June 14, 2016

Date revised: June 14, 2016

Version number: 01

Hand protection

Use chemical resistant gloves, if needed to avoid prolonged or repeated skin contact. Use good housekeeping practices. Avoid extreme heat, sparks, or open flame. Protective clothing.

**Other
Respiratory protection**

Use NIOSH approved respirator for dusts under dusty conditions

9. Physical and Chemical Properties**Appearance****Physical state**

Fine Powder

Color

Grey/Black

Odor

none

pH**Solubility in Water**

Insoluble

Specific gravity

1.9-2.1

DOT Class

Not regulated

NFPA Rating

Health: 1; Flammability: 1; Reactivity: 0; Specific Hazard: None

10. Stability and Reactivity**Hazardous Combustion or Decomposition Products**

CO, CO₂. Fumes, smoke carbon monoxide, sulfur oxides, aldehydes and other decomposition products may form in the case of incomplete combustion

Incompatibility (materials to avoid)

Strong oxidants. Product is a moderate conductor of electricity. Exercise caution when contact with electrical circuitry is possible.

Conditions to avoid

None known

Hazardous Polymerization

Will not occur

11. Toxicological Information**Information on likely routes of exposure****Inhalation**

May cause irritation to nose, throat and lungs

Skin contact

No known applicable information

Eye contact

No known applicable information

Ingestion

No known applicable information

Symptoms related to the physical, chemical and toxicological characteristics

No known applicable information

Information on toxicological effects**Acute toxicity**

No known applicable information

Skin corrosion/irritation

No known applicable information

Serious eye damage/eye irritation

No known applicable information

Respiratory or skin sensitization**Respiratory sensitization**

No known applicable information

Skin sensitization

No known applicable information

Germ cell mutagenicity

No known applicable information

Carcinogenicity

No known applicable information

Reproductive toxicity

No known applicable information

Material name: PetroBlen C

Date prepared: June 14, 2016

Date revised: June 14, 2016

Version number: 01

12. Ecological Information

Ecotoxicity	No known applicable information
Persistence and degradability	No known applicable information
Bioaccumulative potential	No known applicable information
Mobility in soil	No known applicable information
Other adverse effects	No known applicable information

13. Disposable Considerations

Waste Disposal Method	Normal landfill or incineration under conditions that meet all applicable federal, state and local regulations
-----------------------	--

14. Transport Information

US DOT	No information available
--------	--------------------------

15. Regulatory Information

Safety, health and environmental regulations/legislation specific for the substance or mixture

Listed as Carcinogen or potential Carcinogen By:

NTP NO;

IARC NO;

OSHA NO

16. Other Information, Including Date of Preparation or Last Revision

No known applicable information.

Date Prepared: June 14, 2016

Revision Date: June 14, 2016

Version Number: 01

Disclaimer: The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text. All information and recommendations concerning this product is based on tests and data believed to be reliable, however, it is the user's responsibility to determine the safety, toxicity and suitability for the user's own use of the product described herein. Since the actual use by others is beyond our control, no guarantee expressed or implied is made. Nor is the information herein to be construed as absolutely complete since additional information may be necessary or desirable when particular conditions exist or because of applicable laws or government regulations.
